The Connecticut Department of Environmental Protection provides over 1400 campsites throughout the state for your outdoor enjoyment. The following information applies to most Park and Forest Campgrounds. Exceptions are noted in the Campground Directory section of this brochure. The official camping season begins on Apr 19, and ends Sep 30. However, some campgrounds are open on a re-stricted basis prior to Memorial Day Weekend or after Labor Day. Please contact the State Parks Division for an updated schedule prior to your visit.

RESERVATIONS

Campsites at most campgrounds may be reserved from Memorial Day Weekend through Labor Day. Reservations at American Legion State Forest can be made from Apr 19, 2013, through Columbus Day. All reservations can be made from 11 months prior to your planned arrival date, to 2 days before you wish to camp. Call toll-free 1-877-668-CAMP (2267) or visit www.reserveamerica.com to make reservations on-line, for information on policies, and cancellations. Unreserved sites are available on a first-come, first-serve basis.

CAMP DAY/LENGTH OF STAY

Check-in time is 1:00 p.m. The camp day is from the time of arrival, until 12:00 noon on day of departure. The maximum length of stay in any inland state campground is fourteen consecutive days. At Hammonasset Beach, and Rocky Neck State Parks, the maximum length of stay is twenty-one consecutive days, although a pilot program for the 2013 season will allow longer stays at an increased cost. Contact Reserve America for details. Following each stay, regardless of duration, a five day in-terim period is mandatory for all members of the camping party. Campers may not move to another camping area within the same park or forest during the interim. The camp areas within Pachaug State Forest and Hopeville Pond, Kettletown and Black Rock State Parks, shall be considered one campground.

CAMPING PARTY

The maximum number of people per campsite is six (6). However, a camp registrant may occupy a campsite with all his/her children under 18 years old, for the basic campsite fee regardless of the total number of family members.

MINORS

Minors (under 18) must be accompanied by an adult in attendance, who accepts responsibility for the camping party. A camping permit cannot be issued to anyone under the age of 18 years.

OCCUPANCY

Occupancy of the camp lot is required within the first 24 hours. A campsite unoccupied during this initial period is declared an open site and will be reassigned with all payment forfeited. If you are unable to arrive the first night, please telephone the campground. Campers arriving after 10:00 p.m. will be required to set up in a temporary area until the following morning. Transferring or subleasing campsites is strictly forbidden.

CAMP VISITORS

Visitors are allowed to enter state campgrounds from 8:00 a.m. to sunset, and may stay until 10:00 p.m. Daily parking rates apply. Designated parking areas must be used.

QUIET HOURS

Quiet hours are between 10:00 p.m. - 7:00 a.m. Reasonable levels of sound may not be exceeded at any time.
